**Re: United States v. Thomas P. Gordon, et al.,
Criminal Action No. 04-63 (JPF)**

Dear Judge Fullam:

I am writing to advise the Court as to subsequent developments with respect to one of Defendants' pending motions.

In their Motion Under Fed. R. Crim. P. 16 (D.I. #123), Defendants seek to compel the government to: "1. Produce all documents reflecting any and all agreements with or inducements to Mr. Tucker (and any other maker of covert audio recordings) and the voluntariness and good faith of his (and any others') covert recordings of defendant Gordon and others."

The government has provided Defendants with all documents responsive to this request number 1. In particular, the government has produced the consent forms executed by the individuals who made covert recordings. As the government has repeatedly advised Defendants, there are no other documents responsive to this request number 1. Accordingly, the government believes this portion of Defendants' Rule 16 motion is moot.

The Honorable John P. Fullam
